

INSTALLATION GUIDE

LOBBY GRAPHICS

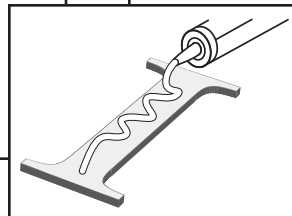

Step 1

Tape the provided mounting template to the wall using masking tape to temporarily hold in place. Use a level to insure the template is straight.

Step 2

Remove the adhesive tape backing and apply silicone to the back of each letter and/or piece. Carefully adhere to wall.

**When using silicone sealant, be sure to read and follow the manufacturer's instructions.*

Step 3

Carefully remove the template from the wall. Gently press each piece to insure it has adhered to the wall. Remove the clear protective film from each piece.
