- ☐ Template with Levels & Remo Tape

Installation Questions?

Call our customer service team at
888.273.8726

Tools Required (Not included)

- ☐ Tape Measure
- ☐ Pencil

Installation Instruction:

1. Wipe down the wall to ensure it is free of dirt and dust.
2. Using a tape measure and pencil, lightly mark the center of the wall where the lobby logo will be installed.
3. Utilize the red remo tape to mount the supplied template to the wall (fig. 1). Double check that the template is centered and level.
4. Selecting one letter at a time, peel the blue strip off the foam tape (fig. 2).
5. Match the letter up with the template, then firmly press the letter against the wall (fig. 3).
6. Continue until all pieces have been mounted to the wall.
7. Slowly and carefully remove the remo tape and template from the wall.
